Parsec is:

- Technology for travel
- Online Distribution
- B2B Booking Engine
- Customer service

Who we are?

Parsec was established in 1996 as a company dedicated to develop reservation systems making use of the latest Internet technologies.

We have acquired wide experience customizing our booking engine for different travel company profiles: incoming, traditional tour operators, online travel agencies, consolidators...

Our deployments serve large companies as well as very small agencies: we can create a budget solution for every need.
